Robert M. Davis Memorial

Two scholarships awarded
(estimated amount-based on interest)

School: Truman (1)
William Chrisman (1)

Summary: The Robert M. Davis Memorial (previously Watt Drug Science Scholarship) will be awarded to one graduating senior at Truman High School and one graduating senior at William Chrisman High School in the amount of $250 each.

The scholarship will be awarded to a student who has demonstrated an aptitude for and an interest in science. The student’s grade point average and financial need will be considered but will not be the only or necessarily the most important criteria. The student should demonstrate a history of good citizenship and must have completed four units of science at the time of graduation. The student must be pursuing a college degree in a science-based field including science education.
